

ECOSKIN CARE – MUSK ROSE SEED OIL

100% Pure

Musk Rose oil is extracted, through a cold pressing process, from the seeds of the *Rosa rubiginosa*, a specie of rose native to the andean states of Chile.

This cosmetic oil is a true “elixier” for the skin, it has an high concentration of essential fatty acids that improve the quality and texture of the skin. It enhances the elasticity of the skin and smoothes wrinkles, stretch marks and helps to heal from sun burns.

It has an anti-aging effect, ideal to soften dry skin and hands.
